

**INDEPENDENT AUDITOR'S REPORT
ON REVIEW OF INTERIM CONDENSED
CONSOLIDATED FINANCIAL STATEMENTS**

To the Shareholders and Supervisory Board of Dino Polska S.A. Capital Group

Introduction

We have reviewed the interim condensed consolidated financial statements of Dino Polska S.A. Capital Group (the 'Group'), for which the holding company is Dino Polska S.A. (the 'Company') located in Krotoszyn at Ostrowska 122 Street, containing: the consolidated statement of financial position as at 30 June 2022, the consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated statement of cash flows for the period from 1 January 2022 to 30 June 2022 and other explanatory notes (the 'interim condensed consolidated financial statements').

The Company's Management is responsible for the preparation and presentation of the interim condensed consolidated financial statements in accordance with the requirements of International Accounting Standard 34 *Interim Financial Reporting* as adopted by the European Union.

Our responsibility is to express a conclusion on the interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with National Review Standard 2410 in the wording of the International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* ('standard'), adopted by the National Council of Statutory Auditors. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Auditing Standards in the wording of the International Auditing Standards adopted by the National Council of Statutory Auditors and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with the requirements of International Accounting Standard 34 *Interim Financial Reporting* as adopted by the European Union.
